

## True or False

Mark whether the given statements are true or false

Statement	correct	wrong
Using various techniques during a seminar is less boring		
When students have to do something, they are incited to think themselves less.		
Setting learning goals in the beginning makes preparing your lessons easier.		
Content reduction creates a logical structure that facilitates learning.		
If something is not told in your seminar, students have no chance to learn it.		
By doing less presentations and more exercises, you have to prepare less.		
When students have the chance to work together, the course atmosphere will suffer.
