

Create your Data Portrait

1. draw as many earrings as people are living in your household
2. draw open eyes if you are an early bird, closed eyes if you like to sleep in
3. draw your favorite drink in the left paw
4. draw your favorite food in the right paw
5. draw a cap you would wear while moving (bike helmet, headband, pilot cap ...)
6. color the t-shirt in the colors of your home country or an organization you belong to
